## **The Ultimate in Competiton**

Setting the standard of what a dog show should be, the Purina® Event Center at Purina® Farms, boasts an 84,000 square foot, state-of-the-art facility designed to turn ordinary dog shows into extraordinary events. Within the complex visitors can experience the outdoor amphitheater, a 9,600 sq. ft. SYNLaw artificial grass covered event field, designed for obedience training and agility, with live demonstrations performed twice daily. Durable and able to withstand the rigors of daily training for animals of all breeds, SYNLaw provides a consistent, dependable surface which is also easy on the paws. Even the on-site pot-belly pigs love it.

Built to withstand punishment from even the toughest competitor, the same [SYNLawn Pet System](#) products used at Purina® Farms are also available to you for your furry friends in-training or if you're just horsing around. Free of fleas and ticks, SYNLaw's synthetic grass is built with AlphaSan® antimicrobial technology helping pets stay healthy, all without getting dirty, no matter what kind of weather you're in.

Located in Gray Summit, MO Purina® Farms is a short scenic drive on I-44 from St. Louis to find this one-of-a-kind facility popular for local school and family field trips. For more information about Purina® Farms visit their website at [this location](#).
